GREENPOINT FILM FESTIVAL

Celebrating 15 Years!

Partnership Deck

A banner for the Greenpoint Film Festival is stretched across a brick wall. The banner is white with green and blue text. The word 'GREENPOINT' is in green, and 'FILM FESTIVAL' is in blue. To the left of the banner, a green circular logo with radiating lines is partially visible. The background shows a blue sky with white clouds.

THEME: UNBOUND

The Freedom to Tell Untold Stories

2026's theme is about courage — the filmmakers who dare to speak, the stories that need to be told, and the community that gives them a platform. Your support fuels freedom of expression — and helps independent cinema reach new audiences.

The Greenpoint Film Festival currently accepts films in the following categories: Narrative Feature & Short; Documentary Feature & Short; Animation. Our in-competition films are judged by a selection of industry professionals awarding each filmmaker with an award.
